Processing of your Business Data

The Wales Tourism Product Database (WTPD) is a database of accommodation, attractions, activities and events that is owned by Visit Wales which are a part of Welsh Government. If you choose to promote your business on WTPD it is necessary to process some personal data about you.

Visit Wales (Welsh Government) are Data Controllers for personal information processed in WTPD for the purpose of compliance with the UK's Data Protection Legislation. NVG trading as Simpleview operate the (WTPD) on behalf of Visit Wales.

The processing of your data is part of the Welsh Government's public task to promote tourism in Wales. Being on WTPD is voluntary and you can remove your information at any time by contacting the Visit Wales Data Steward on visitwaleshelp@nvg.net.
